**Innovation:** Industry-first sliding safety glass patio door, custom styled furniture and real wood shaker style cabinetry with netted storage above. The true innovation becomes evident through the interior design of Fuzion and how it makes you feel when you step inside. Words can't explain it. You have to experience it for yourself.

You don't want convention. You're forward-thinking. You're successful. Bold. Innovative. Stylish. Finally, our industry has caught up with you and we guarantee you're about to be impressed. Fuzion is designed to be an extension of you: Thoroughly modern and sophisticated with an affinity for the mischievous and thrill seeking. Cater to your alter ego.

Bring on the mud and dust. You've got a garage for all your toys. No need for a garage? Turn it into a 112+ sq. ft. extension of your permanent living space. Believe it or not, we are just getting started.

The floors are clean and ready for your jaw to drag from the second you step inside. Exceed your expectations and take on anything.
