

Introduction

September 1, 2006

Dear Keystone Owner,

Thank you for purchasing a Keystone RV Company product. Your decision to own a Keystone is what drives our efforts everyday, and we appreciate your vote of confidence.

As you may know, Keystone RV Company is the #1 selling RV brand in North America. We don't take that position for granted and want the experience with your new travel-trailer or fifth-wheel to be enjoyable. To help get you started, please take a few minutes and review our owner's manual. It is pretty straight forward and will help you understand many of the functions and required maintenance of your RV.

On behalf of everyone at Keystone RV Company, we hope you will enjoy our product as much as we have enjoyed creating it for you.

Warranty

Keystone RV Company has provided this manual solely for the purpose of providing instructions about the operation and maintenance of its recreational vehicle. Nothing in this manual creates any warranty, either express or implied. The only warranty offered by Keystone RV Company is set forth in the limited warranty applicable to your vehicle.

The Limited Warranty and limited warranties issued by the component manufacturers require periodic service and maintenance, and the owner's failure to provide these services and / or maintenance may result in loss of warranty coverage for that item. The owner should review Keystone RV Company's limited warranty and the warranties of all other manufacturers.

Instructions included in this manual are for operating some components, which may be optional on your vehicle. This manual is devoted to instructions on fifth-wheels and travel-trailers.

We hope you have many years of vacationing pleasure.

**Keystone RV
Company**

This manual is based on the latest information available at the time of publication. Due to continuous product development and improvements, Keystone RV Company reserves the right to make changes in product specifications and components without prior notice.

Danger, Warning, Caution and Note Boxes

We have provided many important safety messages in this manual. Always read and obey all safety messages.

DANGER indicates an imminently hazardous situation that, if not avoided, will result in death or serious injury.

WARNING indicates a potentially hazardous situation that, if not avoided, could result in death or serious injury.

CAUTION indicates a potentially hazardous situation that, if not avoided, may result in minor or moderate injury.

CAUTION used without the safety alert symbol indicates a potentially hazardous situation that, if not avoided, may result in property damage.

Important information regarding the maintenance of your recreational vehicle.

Terms and Symbols Used

(Optional)

This denotes items that may be an option on all or particular models. Additionally, some optional items can only be included during the manufacturing phase and cannot be added.

The inclusion of optional items does not imply or suggest the availability, application suitability or inclusion for any specific unit.
