Springdale’s 291 travel trailer, shown here in our Carmel interior, brings you richness and style previously unheard of in an RV at this moderate price point. Notice, for example, the sculpted lounge chairs, curved dinette backs, fresh drapery treatments, mortise-and-tenon cabinetry, and spacious lounge area with its panoramic view through the 40x72-inch picture window. Springdale’s 291 also excels when it comes to function, like interior cabinet storage and abundance of countertop space. This Springdale 267 travel trailer, shown here in our Meadow interior, is a great example of Springdale innovation. With a left and right entry into the bedroom (sliding doors are shown open), we can provide you with an island queen bed in a shorter, lighter-weight floor plan. In addition, there is an angled kitchen with a flip-up countertop across from a spacious dinette and sofa super-slide. At the rear, the 267 features a bunk bedroom to round out your sleeping accommodations.

This skylight over the tub/shower area is now available on all Springdale models. In addition to providing natural light in the bath area, this feature increases the overall head room in the shower (shown here with optional tub surround).

This stylish sofa-sleeper, shown here in Carmel, features a deep-channel, shell-pattern, camel-back design. Steel-reinforced cushions in the seat and back ensure increased comfort and durability. The Springdale sofa-sleeper provides fashion, comfort and quality uncommon in an RV at this price point. Bun-shaped feet complete this inviting, residential look.

Travel in comfort, Enjoy the trip, It's a way of life…
Every Springdale features this 60/40 deep bowl white sink with a matching white high-spout faucet. There’s a tip-out utensil tray under the sink, too. The details that are important to you are important to us.
