Dear «Owner_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Keystone RV Company has decided that certain model «year» Keystone «model» Travel Trailers and Fifth Wheels fail to conform to the requirements of Federal Motor Vehicle Safety Standard Part 571, Standard 108 "Lamps." As a result, Keystone RV is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

Reason for this recall

The vehicles in the recall population are missing the intermediate side marker lights. Pulling a vehicle at night without the proper side marker lighting increases the risk of other motorists not being able to see your vehicle and could possibly result in a crash.

What we will do

Keystone representatives have been in contact with the staff at your selling dealership regarding this situation. The remedy is to install the missing intermediate side marker lights. The service and parts required for this corrective action will be provided at no charge to you.

What we need you to do

At your earliest convenience, please make an appointment to have your RV serviced by your dealership. The labor time to perform this correction is approximately one hour. Please ask your dealer if you wish to know how much additional time will be needed to schedule and process your RV for this repair.

If you have questions

Your dealer is best equipped to obtain parts and provide service to ensure your RV is corrected as promptly as possible. If your dealer is unable to assist or if you take your RV to your dealer on the agreed service date, and the dealer does not remedy the condition within a reasonable amount of time, or without charge to you, please contact Keystone Customer Service by calling 1-866-425-4369.

If after contacting Keystone Customer Service you are still not satisfied we have done our best to remedy this situation, you may also submit a written complaint to: Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE, Washington, DC 20590. You may call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153; or go to <http://www.safercar.gov>.)

Thank you for your attention and cooperation in this matter.

Sincerely,

KEYSTONE RV COMPANY
